

## Registry Recordings Game

Number of players: 2 – 4

Materials: Registry Recordings scenarios; Registry Recording worksheet; pencil; paper lunch bag; calculator (optional)

Directions: Cut apart the following 'scenarios' and place in a paper lunch bag. Take turns drawing a scenario and recording the deposit or withdrawal on your registry. Keep a running balance. The person with the most money after all the scenarios have been drawn is the winner. A player automatically loses if they go below their balance.
